

"Many lay people say, 'We've grown up with the idea that when you are buried, you have to be buried whole,'" says Rabbi Dr. Reuven Bulka, Chair, Trillium Gift of Life Network. "So I say, 'Didn't you also grow up with the idea that saving life is the all-encompassing and overarching Jewish value that supplants every other value?'"

All are welcome to join this spirited discussion about a difficult decision and an important *mitzvah*. This event is a joint initiative of the National Council of Jewish Women of Canada - Toronto Section with Annex Shul, Beach Hebrew Institute, City Shul, Danforth Jewish Circle, First Narayever, Hillel, Makom, Miles Nadal Jewish Community Centre and Congregation Shir Libeynu.
