10 Things You May Not Know are brought to YOU by the Regional Library!

1. We have **Photoshop Creative Cloud** –cloud based software available to you!

2. Need a nice video story, create a video with our **Animoto** subscription.

3. Having a special event, we have a brand new **Sneaks costume** available for check out!

4. Having a game night soon? We have game consoles available for checkout (**Xbox & Wii** available.)

5. Think you can't do Digital Storytime? We have **iPads preloaded with apps just for Digital Storytime**.

6. Want to try out **Windows 8**? We have 2 Window Surfaces available for checkout.

7. Need an extra computer or ten? We have **10 Laptops available for checkout!**

8. Kids want to play **Minecraft**? WCFL branches can connect to our Minecraft server for multi-play from any children's computers. Or if you're not at WCFL, you can checkout our laptops loaded with Minecraft and have an event @your library!

9. Want to run Minecraft multi-play without our network server? Try one of our **Wireless Routers** to set up your own server.

10. Need some extra training? Try **Lynda.com**. Lynda.com offers a wide range of video training topics to meet every need.
