

APRIL 2015

Karen Dungan is more commonly known as “Miss Karen” by many YMCA Preschoolers. Along with being an active member of the Y’s Senior Sneakers, Karen has been volunteering in the YMCA Preschool program for more than five years.

As a volunteer, she shares her love of reading and music with two preschool classes. Children are excited when they know it is a “Miss Karen Day.”

A big “Thank You” goes out to Karen for volunteering and bringing extra moments of fun and learning to so many preschool children here at the YMCA.
