Tom Hallet

Tom is a long time member (since 1988) of the Mankato Family YMCA and has been a volunteer of the Y for just as long. He is always there to help. Whether it be cleaning, organizing, restocking, helping with maintenance repairs, or showing new members around the facility, Tom always goes above and beyond. Tom is an active participant in classes at the Y as well.

Thank you for all you do Tom – it doesn't go unnoticed or unappreciated. You are a true ambassador to the YMCA!
