

Play Pals

Early Learning Center

The **Play Pals** instructional classroom environment is arranged to capitalize on each child's motivation and begin the process of learning age appropriate skills including: academic, social, transitional and daily living skills within a supported, structured, and small group setting. Highly trained and skilled clinicians employ varied evidence- based teaching strategies individualized to each learner to promote skill acquisition. The classroom will be led by a special education teacher and ABA therapists assigned to the classroom in order to best support the educational and learning needs of each student.

Scheduling

Different program options are available to help meet your child and family's needs.

Where: The class will be held at 3100 Dundee Road Suite 704 Northbrook, IL 60062 - housed in KGH Consultation & Treatment, Inc. Our classroom, outside space, indoor playground and toy town create a fun and motivating environment for our young learners.

Choose how many days a week:

| Schedule | Information |
|--------------|-------------------------------|
| 3 days/week | Monday, Wednesday, and Friday |
| 3 days/ week | Tuesday, Thursday, Friday |
| 5 days/week | Monday through Friday |

Choose a time of day:

| Schedule |
|-----------------|
| 9am to 11:30am* |
| 1pm to 3:30pm |

*Option to enroll your child in "lunch bunch", (11:30am to 12:00pm) a group tailored to teach kids how to follow an eating routine, follow meal time etiquette, and socialize with their peers.

To extend your child's day for **intensive services** please check the comprehensive intensive programming services box on the request form and indicate the number of additional hours of individual ABA hours requested. Please speak with your consultant should you have any questions on other appropriate program placements for your child.

To schedule your free screening to determine your child's eligibility into this program please call our Insurance & Intake Coordinator directly at 224-326-2206.
