

IN KNOXVILLE'S URBAN WILDERNESS

DATE: Saturday, August 22, 2015

WHERE: Knoxville's Urban Wilderness @ High Ground Park

TIME: 10 am – 6 pm

WHAT: Knoxville's Urban Wilderness First Annual Bioblitz

'Bio' means 'life' and 'Blitz' means 'to do something quickly and intensively'. Together they make 'BioBlitz', a collaborative race against the clock to discover as many species of plants, and animals as possible, within a set location, over a defined time period.

Please join us Saturday, August 22, 2015 from 10 am till 6 pm for our first (of many we hope) BioBlitz in Knoxville's beautiful Urban Wilderness. We will gather at High Ground Park for assignments, education sessions and instructions for the day.

WHO: Open to anyone interested in learning more about biodiversity. It's totally FREE and we invite everyone, students 10 years old or older- no experience necessary, to join us to celebrate the importance of biodiversity formally through the BioBlitz!

Registration required! Please go to volunteerknnoxville.org, type "Urban Wilderness BioBlitz" into the keyword search, and follow the link to sign up.
