

## **Announcing “Nature’s Gifts” Photography Exhibit**

WMOA is seeking compelling photographic images of the natural world: in landscapes and seascapes, from animals and insects, to flowers and trees, to clouds in the sky and stars in the heavens. We want to showcase the beauty and grandeur of the natural world in its many forms.

This exhibit runs from November 23 – December 21, 2013; *all pieces exhibited in this show will be for sale.*

## **Curator**

Program director Simone Spruce-Torres will curate the exhibit.

## **Reception**

An Artist Reception will be held on Wednesday, December 4, 2013 from 6:00 – 8:00 p.m.

## **Eligibility**

This show is open to all photographers who live in the New England and students who are currently enrolled in undergraduate or graduate art studies in New England. Works must be original and completed during the last 12 months; previously submitted works will not be accepted.
