Background: The Music Students' Service League (MSSL) was formed so that students of MTAC members may have the opportunity to serve the community through music. MTAC awards community service credit to students in exchange for their time, efforts, and talents. These awards, in turn, help students to fulfill the graduation requirements of their schools. Students share their gift of music with the community by giving recitals in senior citizen living facilities. MSSL is a student-run organization under the guidance of an MTAC teacher.
