**ABA Forum on Construction Law's Diversity Scholarship to Attend the
2016 Midwinter Meeting, "Livin' on the Fault Line: Cutting Edge
Solutions for Seismic Events that Threaten Your Construction Client,"
January 21-22, 2016, in San Francisco, CA**

The American Bar Association Forum on Construction Law is a nationwide organization of construction lawyers and professionals. The Forum's focus is "Programs, Publications, and People," with the stated mission of "Building the Best Construction Lawyers." Each year the Forum hosts three national meetings which provide unequalled opportunities to learn from top industry professionals, and network and exchange ideas with colleagues from around the country and beyond. This year, the Forum's Midwinter Meeting, titled "Livin' on the Fault Line: Cutting Edge Solutions for Seismic Events that Threaten Your Construction Client," will be held January 21 – 22, 2016 at the [Westin St. Francis](#) on Union Square in San Francisco, California. [Click here](#) for the meeting brochure with full details.

The Forum is pleased to announce the availability of six (6) Diversity Scholarships for the cost of registration for this program for women and minority construction lawyers, construction lawyers with disabilities, and construction lawyers from the LGBT community, whose practices are based in California. Individuals wishing to be considered for a scholarship should submit a copy of their resume and a letter describing their construction law practice and the reasons why they want to attend the Midwinter Meeting. Applications are due no later than December 21, 2015. If selected, candidates must commit to attend the program. The scholarships are not transferable. The Diversity Scholarship includes:

- admission to the Program with waiver of the registration fee;
- a set of Program course materials; and
- continental breakfast and lunch as noted in the brochure.

Applications for the scholarships should be sent to the Forum's Diversity Committee Chair, David J. Theising, at dtheising@harrisonmoberly.com. If you have any questions, please contact Mr. Theising by email at dtheising@harrisonmoberly.com or by calling him at 317-639-4511. Thank you for your interest.
