N O L I M I T S

## ABOUT US

Sky Recruiting is a National Executive Search Firm dedicated to Electrical/Industrial Distribution and Manufacturing. SR is the Nation's #1 recruiting solution for the industries we serve.

SR utilizes a communication based approach to sourcing talent. SR recruits people, not resumes. Our strategy is connecting the best *employed* A+ talent to our client partners.

SR has the largest team of recruiters with 20+ years of industry specific networking and contacts. We ask our clients to "dream big" when describing their hiring needs. SR delivers on that dream.
