⁶ Mr. Rigell is also on the Appropriations Committee and its Labor, HHS, and Education Subcommittee.

⁷ Note: Mr. Scott is the Ranking Member of the House Education and Workforce Committee. He does not have a personal office staffer responsible for education. Instead, he relies on the Minority Staff of the Committee to advise him. According, we should reach out to that staff and his District staff. Although the odds are they won't attend, we should invite each of the Education Committee minority staffers to attend competitions in his District.
