Anyone wishing to participate (or register and then *not* participate, should you so choose) can register at the Race Roster site listed below. When you register you will see Abilities listed in a drop-down menu: you must make a choice from this menu, so please choose Abilities! Screenshots of the registration process included. **All registration proceeds (100%) will be donated to Abilities, but only if you have selected Abilities when you register.**

There will also be a Kids' Rainbow Run, music, games, and food and drink. Prizes will be awarded to top finishers overall, in age categories, and for top fundraisers. All 5K runners will receive complimentary T-shirts and all Kids' Rainbow Runners will receive a medal.
