Clinical Supervision in Behavioral Healthcare: Meeting the Service Definition Requirements

March 25 & 26, 2014

505 Oberlin Road, Suite 100
Raleigh, NC 27605

9:30 a.m. – 4:30 p.m.

This session is for clinical professionals who are providing supervision for Community Support Team Services or Intensive In-home Services. The 12-hour training meets the Division MH/DD/SAS requirement of clinical supervision training for all Community Support Team and Intensive In-home team leaders “unless the designated therapy or practice model used by an agency has specific supervisory level training.”

Target Audience
Clinical professionals, agency directors, or others interested in providing or managing a supervision program.

Faculty: Danielle Coleman, MSW, LCSW
Danielle Coleman obtained her Bachelor’s Degree in Psychology and her Master’s Degree in Social Work. She is a Licensed Clinical Social Worker, a Licensed School Social Worker, a member of the Academy of Certified Social Workers, and a Clinical Supervisor for practicing social workers. She’s a member of the National Association of Social Workers, and sits on the Community Advisory Board for the Department of Social Work at UNC-Charlotte.

Day 1 Objectives:
• Define Clinical Supervision and the role of the Supervisor/Team Leader
• Identify characteristics, skills, and knowledge of an Exceptional Supervisor
• Explore ethical considerations in supervision
• Describe practical “how to” strategies for supervision with examples
• Includes a check list of suggested strategies for supervising evidence based practices
• Examine the supervisor’s role in Treatment Planning (PCP development), including identifying interventions, goal writing, and service documentation

Day 2 Objectives:
• Identify Core Competencies for the Supervisee
• Receive a checklist of topics
• Review a supervision plan and examples of individualized supervision goals
• Document supervision and performance
• Practical application with case study
