ROCK OF AGES
NETER-EL ENERGY REBALANCING AND UPLIFTING SITES TOUR SERIES

Rock of Ages is an on-going natural energy site tours. The Rock of Ages tours consist of ancient megalithic rock formation and sites nestled in a beautiful scenic back drop of New York State. During the tour participants will be participating in concentrative and mindful meditation. Participants will be guided in eco-therapeutic natural energy uplifting involving stress relief through interaction with nature, natural ancient rock formations, trees, natural springs, water falls, electromagnetic fields, and earth energy lines (Ley Lines). Participants will have the opportunity to freely interact energetically with these ancient sites.
