CYBER CIVICS IS **UNIQUE**

- DESIGNED IN A CLASSROOM. Lessons are continuously updated and refined by practicing in-classroom teachers.
- More than just PDF's. Innovative lessons are FLEXIBLE and work in ANY TYPE of educational setting.
- Creates an INQUIRY-BASED ENVIRONMENT transforming students from LEARNERS TO LEADERS.
- UNIQUE DIGITAL DELIVERY lets us rapidly update content based on user feedback and new data about an ever-evolving digital world.

EDUCATION
WEEK

“Since instituting this three-year middle school series...the school has nearly eliminated bullying and behavioral issues and significantly boosted standardized test scores. ‘What has been a small investment has paid off tenfold,’ says Shaheer Faltas, the Journey School principal who instituted the program.”

FLEXIBLE HANDS-ON LESSONS

At the heart of every Cyber Civics lesson is hands-on, inquiry-based investigation that trains students to become TOMORROW'S DIGITAL LEADERS. As students move through the program they negotiate and create the SOCIAL NORMS that will guide their future online practices.

LOW COST

This program COSTS SIGNIFICANTLY LESS than one textbook per student per year. Each course includes over 30 CONTINUOUSLY UPDATED resources, plus embedded professional development, parent handouts and an internal communications portal—all for one low price.

“Cyber Civics is the best the best digital media literacy curriculum I’ve seen yet as it is developmentally-based and creative.”

“This is a one-stop solution that meets the the increasing demand for digital skills.”
