

American Naturopathic Medical Association

Convention Dates: August 26, 27, 28, 2016

Place: Las Vegas, Nevada - Westgate Hotel

Dear Naturopathic Practitioner,

As President of the ANMA, I would like to take this opportunity to extend a personal invitation to attend the 35th annual ANMA convention. We take great pride in this event. Our goal is to create an environment where you get exposed to ideas you never knew existed in a relaxed collaborative setting. This three day event takes place at the Westgate Hotel Convention Center, Las Vegas, NV, **Friday August 26 thru Sunday August 28, 2016**. Westgate and ANMA have kept the price for rooms low.

This year, as every year ANMA will present special opportunities that can **benefit you professionally and financially**. Designed for a firsthand experience you'll gain valuable information and forge relationships with the masters in their fields. **Transforming your practice into something you can be proud of.**

You will not want to miss the Higher Achievement Award Member's Luncheon celebrating those who inspire others in the field and strengthen the entire naturopathic profession. If you know a member who you think should be nominated for this award please contact ANMA.

As anticipated, ANMA will provide an exhibit hall with cutting edge technology, products, and workshops presented by these exhibitors. This is a rejuvenating weekend spent with really smart, creative and interesting people – ANMA members. Every individual brings their unique experiences and by sharing we help each other learn and grow.

Please take advantage of this opportunity and register today. Included you will find everything you need to get signed up today, and remember ANMA lets you bring a colleague at no additional charge. Show them you belong to a fabulous association that cares about our member's success.

Ideas can come at any time from anyplace and that's why the 35th Annual ANMA convention and educational seminar is the place to be.

Sincerely,

Filippos S. Diamantis, PT, PhD, ND

President
