Play in the Golf Marathon and play for a purpose!

The Green County YMCA Charity Golf Marathon is a day of fun as you golf to raise awareness and pledge money for member scholarships to the Green County YMCA. The Green County YMCA is committed to providing the resources necessary to help individuals and families maintain a healthy lifestyle regardless of economic situation. Each 4 man team is asked to commit to raising at least \$1,000.00 in pledges for the YMCA Golf Marathon. *Limited to the first 10 foursomes.* All participants will be treated to their own golf cart as well as three meals during the day and beverages to keep you going strong. This one day event is capped off with a dinner to recognize your efforts.

Held at the Monroe Country Club
2205 21st St., Monroe, WI 53566

Why play in a Golf Marathon?

Golfing in a Marathon sounds intense, but it allows for a fun, fast paced experience. It presents a unique challenge that most have never attempted. Last year, one team reached 65 holes.

Is this a super serious golf game?

The Golf Marathon is not designed to be an extreme endurance event. Golf carts are provided the entire day and there are volunteers to cheer you on as well as provide meals, refreshments and snacks. Serious competitors are encouraged to play.
