Washington State Society
For Healthcare Engineering

WSSHE Members and Friends,

Here is some information to either refresh your mind or for the first time attendees and exhibitors, to help in planning as we get closer to September.

President's Welcoming Reception: All members and their spouse/significant other are encouraged to attend the President's Welcoming Reception Tuesday, September 20th, 7 pm until 9 pm, inside the Technical Exhibition area, Rooms C, D, & E, at the Yakima Convention Center.

Technical Exhibitors: Exhibitor information will be posted by August 20th at http://beartradeshow.com/exhibitors/. Booth assignment will be sent one month before. Booths are 8 X 10 and are fully decorated with one skirted 8' table, two chairs, signage, and 500 Watt/5 Amp of electrical supply. If you require additional power, please use the Backstage Electric Order Form link to be mentioned at Bear Tradeshow Services' website.

Booth move in date is Tuesday, September 20th, between 1 pm and 6 pm. If you can't make set up Tuesday, you may enter the area at 7am on Wednesday, the morning of the conference, and you will have one hour to set up. Exhibiting hours are Wednesday, September 21st, 8 am until 5 pm, and Thursday, September 22nd, 8 am until 1pm.

The **Dinner/Networking Event on Wednesday, September 21st, 6 pm until 9 pm** will be held inside the exhibitors' area. The theme for the evening is "Games of the WSSHE Olympiad." Participation from all exhibitors is highly encouraged. Please see the theme announcement sent previously and now posted at wsshe.org website for more information.

Spouse Events: Your spouse/significant other are invited to join on both Wednesday and Thursday for the Spouse Event. Event time and venue will be announced at a later date.

Accommodations: WSSHE's host hotel is the Red Lion Hotel Yakima Center. Special discounted rates are available to WSSHE members. Just mention WSSHE when booking your room. WSSHE also contracted rooms at the Holiday Inn Yakima across the street from the convention center for the overflow.

Thanks everyone for reading. Stay tuned for more.

Please feel free to call or email me if you have any questions or concerns.
