

Discounted Employment Screening

NEW NARHC MEMBER BENEFIT

Castle Branch is pleased to offer NARHC member organizations a 20% (or greater) discount on background screening, drug testing, employment verification, online HIPAA training and related services. Castle Branch works with a wide range of employers, more than half of the nation's colleges and universities, various not for profit organizations, healthcare institutions, law firms and others.

Castle Branch services are particularly useful in the health care industry, ensuring employees are carefully screened to help reduce workplace violence, theft, and turnover as well as helping to ensure FCRA compliance. Castle Branch services are available through an online system for applicant tracking with a fast turnaround time. Its easily customizable packages can work for a wide range of employers from large multi-unit organizations to smaller, one unit clinics. We have highly cost effective packages and solutions for all business sizes. Our brand CertifiedHealthcare.com is custom tailored for the healthcare industry to help with the hiring and on-boarding process.

Castle Branch is offering a series of free webinars to interested NARHC members to learn about how they can take advantage of the employment screening and HIPAA training solutions services. "I think NARHC members will be pleased with the ease of implementation and use, as well as programs that can be tailored to meet their unique needs, and the high level of customer service that will be available on an on-going basis," noted Mike Kenney, Vice President of Sales for Castle Branch.

"We are, indeed, proud to be associated with such an impressive organization as the National Association of Rural Health Clinics," Kenney continued, as he announced the exclusive employment screening solutions partnership. Castle Branch is based in Wilmington, NC and has been in business for almost two decades. Additional information is available at CastleBranch.com.
