## **Great Place to Work® and Fortune Name BKS-Partners One of the 10 Best Workplaces in Insurance**

(Tampa, Florida) – Baldwin Krystyn Sherman Partners (BKS-Partners) is honored to announce that after surveying more than 86,000 insurance employees, Great Place to Work® and *Fortune* have recognized BKS-Partners as one of the 10 Best Workplaces in Insurance. This ranking comes from an anonymous survey of insurance employees administered by the workplace culture experts at Great Place to Work®. “We believe that having a good time is good for business,” says Partner Elizabeth Krystyn. “By creating a culture where commitment, collaboration and initiative are rewarded, we nurture our relationships on a daily basis. Colleagues feel valued and comfortable working together in an environment where we continually assess ourselves, each other and our teams in real time, with thoughtful reflection, honest critique and often times, a sense of humor.”

Partner Lowry Baldwin agrees. “We consider this honor exceptionally notable because we realize how closely the well-being of our employees relates to our long-term success delivering unparalleled service to our clients and friends.”

BKS-Partners and the nine other winning companies were selected based on the evaluations of over 86,000 insurance employees who were surveyed using the Trust Index®, Great Place to Work’s employee assessment survey. The 10 Best Workplaces in Insurance ranking is one of a series of rankings by Great Place to Work® and *Fortune* based entirely upon employee survey feedback from published Great Place to Work® Reviews.
