### Sequoia Earns spot on Inc. 5000 List

Tampa, Florida –Sequoia Financial Group, LLC (Sequoia), an independent financial services firm based in Akron, Ohio, was honored by *Inc.* Magazine as a part of their 2015 list of the top 5000 fastest growing private companies in America. Sequoia’s revenue increased by more than 60% over the last three years. This is Sequoia’s second year appearing on the Inc. 5000 list.

“It is a great honor to be recognized on such a prestigious list for the second year in a row,” stated Tom Haight, President of Sequoia. “We have carefully cultivated a team that focuses on our clients’ goals and best interests. Our professionals’ hard work and dedication make honors like this possible.”

Companies are ranked according to the percentage growth of their annual revenue over a three-year period. To assess this, *Inc.* requires 2011 to 2014 revenues. This gives a three-year growth period, using 2014 as a base year for growth. For over 30 years, *Inc.* has recognized the fastest growing privately owned companies in America each year and welcomes them to the Inc. 5000 Conference & Gala.
