Laser Locators Ranked 39th in Tampa Bay Business Journal's Fast 50

Tampa, FL – July 24, 2015 – Laser Locators, a world-wide leader selling ophthalmic lasers and diagnostic equipment, announced today that the Tampa Bay Business Journal ranked Laser Locators as the 39th fastest growing small business on its annual Fast 50 list for the Tampa Bay area.

This makes the third time this year that Laser Locators has received top accolades by the Tampa Bay Business Journal. Earlier this year, Laser Locators CFO Tayra Paul, was a finalist for the CFO of the Year Award. Laser Locators was also recognized as one of the top ten Best Places to Work in Tampa.

"It is truly an honor to be recognized with such a prestigious award. I'm so proud of my team for helping me make this growth possible. It's great to be acknowledged for our hard-work and dedication to this company," said Sean O'Donnell, President and CEO of Laser Locators.

About Laser Locators

Laser Locators, established in 2004 and headquartered in Tampa, Florida, U.S.A., is a global company that buys, sells and services a variety of new or used ophthalmic equipment including surgical and refractive lasers, as well as diagnostic and surgical equipment. We have experienced laser engineers and technicians on staff that refurbish and service equipment at our headquarters or in the field. We warranty, support and service all of the equipment we sell. Our shipping capabilities are first rate, and we can ship almost anywhere in the world and have done business in over 100 different countries. We invite anyone to tour our new 12,000 square foot state-of-the-art facility prior to purchase.
