

Chosen out of 500 companies, CTI Physician Leadership Institute was named a Florida Companies to Watch 2015 Awardee by [GrowFL](#) for demonstrating:

1. the intent and capacity to grow,
2. exceptional entrepreneurial leadership,
3. sustainable competitive advantage,
4. outstanding corporate culture,
5. inspired community giving, and
6. other notable strengths.

“Second-stage” companies such as CTI’s Physician Leadership Institute have one basic commonality – they are poised for growth. These companies are regarded as the backbone of Florida’s economy and the definition of economic growth and prosperity.

Regarding the honor, Founder and CEO Mo Kasti shared, “Everything we do is rooted in our commitment to transforming healthcare. We begin by enhancing physician skills so they may lead the transformation of organizational culture, patient outcomes, and the future of medicine. We are honored to be recognized by [GrowFL](#) for our entrepreneurial contributions to healthcare transformation through integrated leadership, strategy and innovation, and to the economy at large.”

About CTI’s [Physician Leadership Institute](#)

The Physician Leadership Institute (PLI) is a division of the nationally renowned Center for Transformation and Innovation LLC based in Tampa, Florida. Exclusively endorsed by the American Hospital Association (AHA) for Physician Leadership Training and Development Services, PLI solutions are customized so that organizations realize increased patient satisfaction, better quality outcomes, and improved financial performance. PLI believes you can achieve transformational success by applying leadership, strategy and innovation to a strong base of clinical skills. PLI maximizes engagement & alignment so that physicians and organizations can realize their full potential together. PLI believes that leadership development has the power to change organizational culture, patient outcomes, and even the future of medicine.
