**Mercer Island Select Baseball** was formed in 2006 to...

1. Provide Mercer Island's 8-12 year olds opportunities for higher level skill development and competition.
2. Create a well rounded baseball player. Develop physical, mental and emotional skills as well as teach fundamental game strategies.
3. Prepare our kids to play competitive baseball after 12.
4. Provide the MI community (kids and families) with a unique on-Island opportunity to support and celebrate Mercer Island baseball.

For more information about our program, including confirming your child's baseball age, visit our website [www.MIselectbaseball.com](http://www.MIselectbaseball.com).
