

BIPPITY BRICKS LEGO CLUB - SPRING

Tuesdays 3:30 to 5:30 West Mercer Library	Grades 1-5	10 classes March 28, April 5 (no school on the 12 th), 19, 26, May 3, 10, 17, 24, 31, and June 7	\$250 + \$50 for materials technique builds are brought home throughout the session
--	------------	---	---

This after school program is open to girls and boys who like to build and who want to build better. STEM topics like simple machines will be combined with building techniques like plate built lettering and building in the round to make for interesting and engaging building experiences. Small technique builds are meant to be brought home to help kids remember the techniques they learned in class and apply it to their own creations.
