Tony
PHAM
COMMONWEALTH'S ATTORNEY

"I will use my proven experience as a prosecutor to keep your family and mine safe from violent crime."

Tony Pham

Tony Pham: A rule of law prosecutor who wins big convictions

Tony Pham has spent most of his career cracking down on crime in the Richmond area. Tony successfully prosecuted crimes from traffic violations to murder. He also led Richmond's gang task force, and he prosecuted drug trafficking and illegal weapons charges as a Special Assistant U.S. Attorney.

Tony Pham: A renewed focus on successfully prosecuting violent crime

Tony Pham will refocus the Commonwealth's Attorney's office on successfully prosecuting crime. He will demand increased professionalism and accountability from every member of the Commonwealth's Attorney's office so that no criminal ever walks away from a violent felony due to prosecutorial misconduct.

Tony Pham: Greater accountability for the Commonwealth's Attorney's office

Tony Pham will never forget that the Commonwealth's Attorney is always accountable to the people of Henrico County. Tony will assign a Deputy Commonwealth's Attorney to each magisterial district to serve as a community liaison to address neighborhood concerns. Tony will also hold an annual public town hall in each district to further increase his access and transparency to Henrico residents.

Tony Pham: Taking partisan politics out of the prosecutor's office

Tony Pham believes that partisan politics has no place in the Commonwealth's Attorney's office. He will end partisan hiring practices that have resulted in firings that cost the Commonwealth's Attorney's office 125 years of experience. Instead, Tony will establish a non-partisan hiring panel to screen applicants based on qualifications, experience and character.
