Lee-ann specializes in project management, business process and workflow optimization, training, and system implementation. Leveraging communication, collaboration, and leadership; she combines her knowledge of project management with business process design, end user experience, and system integration to oversee the project deliverables and objectives for TCG clients globally.

Lee-ann has over 17 years of experience in Project Management including, Project Planning, Risk Management, Issue Tracking, Business Intelligence Reporting, and Process Workflow Analysis. Additionally, she brings 10 years of experience in Information Technology and Process Improvement. Prior to joining TCG, Lee-ann was with inVentiv Medical Management (subsidiary of inVentiv Health) as a Project Manager in the Project Management Office. She specializes in project management, business process and workflow optimization, training, and system implementation. Leveraging communication, collaboration, and leadership; she combines her knowledge of project management with business process design, end user experience, and system integration to oversee the project deliverables and objectives for TCG clients globally.

Lee-ann holds a Bachelor of Science degree in Communications with a minor in Information Management from East Carolina University and obtained her Project Management Professional certification in April 2015.

### Kathleen Connerty, Engagement Manager

Kathleen's areas of expertise include air and hotel program assessment, consolidation, RFP and strategic sourcing as well as compliance and ongoing program management.

With 25 years in corporate, meeting planning and incentive travel, Kathleen most recently managed Consulting Services for World Travel, Inc. where she implemented TRX/Concur/SAP data intelligence solutions to optimize airline contract performance and savings.

Kathleen has also been recognized for her outstanding client service while dedicated to primarily financial and global pharmaceutical account management at CWT, Rosenbluth and Maritz.

Prior to her career in travel, Kathleen was an on-air radio personality in suburban Pittsburgh. She also very much enjoyed the opportunity to return to those roots in broadcasting working part-time at QVC while living near Philadelphia.

Kathleen is a member of Therapy Dogs International. She and her Shih Tzu-Terrier "Bitzie" are a hospice visitation team serving patients, their families and the Gentle Embrace Dementia Program of Western Pennsylvania.

## Adrian Magpantay, Business Analyst

Working from TCG's Global Business Services Center in the Philippines, Adrian provides business analytical support on global engagements across TCG's lines of business, specializing in the field of analytics and data processing.

Adrian's most recent work was with UMS Group's Global Business Center in the Philippines where he handled the International Distribution Business Consortium (IDBC) Program which is the benchmarking program for European Electric and Gas Distribution companies.

Prior to UMS Group, Adrian worked at Maersk's Global Business Center in Manila as an Analytics Specialist where he created reports and coordinated with internal stakeholders and at Citi Group's Regional Headquarters in Manila he was a Data Quality Analyst conducting SQL queries in MS Access and Oracle SQL Developer. His experience was gained from also working at PricewaterhouseCoopers as an Assistant Analyst for the Financial Due Diligence and Commercial Due Diligence Teams where he assisted in managing financial data and gathered qualitative and quantitative data for market research.
