Discount Program

Would you like to increase your business among Chamber members while also taking advantage of specials offered to you? If so, we invite you to participate in our Member to Member Discount Program, which allows our members to offer a discount to fellow members without the cost of advertising, while encouraging Chamber members to do business with other members!

Benefits

For providing a discount/benefit, the business and benefit will be listed on the Chamber website, on promotional material for the program, and new participants will be announced at general meetings.

Guidelines

Participation in the Member to Member Discount Program is voluntary. However, the following guidelines have been established: All discounts and benefits of any kind will be subject to review by the Dana Point Chamber of Commerce. To be a program participant at this level, you must offer a minimum of a 10% discount or similar value to be fair for the advertising and recognition the company will be receiving as a program participant.
