

ARA Scholarship Foundation Recipients

A Benefit of Membership to Your Employees

The ARA Scholarship Foundation, Inc. is a non-profit organization whose purpose is to promote education through the awarding of scholarships. Monies are available to ARA members' employee's children for post-high school educational pursuits. These scholarships are funded through contributions from people like you, who care about the future of our children, as well as money raised at events.

Each year, many generous contributors help the Foundation achieve its goals. The funds help more students achieve their dream – gaining a college education. We appreciate all of you who generously contributed to this effort.

Now, how can you help? Why not send a donation today?

You can even sponsor a named scholarship! Those wanting to make a donation of \$1,000 at one time may name a scholarship for one year. For \$10,000 a permanent scholarship may be named. A donor may name such scholarships in honor, or memory of, anyone they wish. Contributions are tax-deductible and may be made by cash, check, MasterCard, Visa, or American Express.

The deadline to apply for a scholarship for the next academic year March 15 each year. The scholarships are awarded to eligible applicants based on scholastic achievement.

Download an application from the ARA Web site at www.a-r-a.org or contact Kelly Badillo directly at (571) 208-0428 or kelly@a-r-a.org to receive an application by mail or e-mail.
