Let's Talk!

The years since 2010 are the first period in more than 40 years in which annual job growth in New Hampshire has lagged behind the national and regional rate.

Join ABC in a facilitated discussion. We want your feedback, your comments to support ABC's participation with efforts to improve the state economy and your business success.

Are you aware that nationally...
(1 being best / 50 being worst)

- NH Ranks 38th for Top marginal corporate tax rate
- NH Ranks 46th for Industrial Electric Prices
- NH Ranks 50th for Property taxes (as a % of income)
- NH Ranks 46th for Capital Investment Projects per 100,000 pop

**Join us in the heart of NH's
White Mountains!**
