SEWARD SCHOLARSHIP COMPETITION

Seward Scholarships are awarded annually to Undergraduate college students at select schools on the basis of academic achievement and contribution to the SELEF community.

Scholarships are awarded only to **full time** students and must be used to meet direct educational expenses such as room, board, tuition, and books. Scholarships will range up to \$1,000 and are awarded on a competitive basis.

The 2013-2014 Seward Scholarship competition will be conducted in three stages.

1. **Submission of Seward Scholarship Application, and Official Transcript.**

The form is attached to this memorandum. It must be submitted to the Seward Scholarship Committee no later than June 18, 2014. The Seward Scholarship Application should be prepared by the student. Finally, the applicant **must** have his college send an official transcript of grades to the Committee.

2. **Solicitation of Evaluations.**

The Awards Committee **may** solicit evaluations of specific applicants. The Committee will consult members of the student's community who are able to evaluate the applicant's contribution to his community. All evaluations will be obtained no later than July 16, 2014.

3. **Selection of Scholarship Recipients.**

The Committee will announce all scholarship recipients at its annual meeting in Baltimore, MD on August 2nd, 2014. The information will also be announced at the next Society Convention and posted on the website. Scholarship checks will be issued in December/January in one or two installments during that current academic year.

All applications and information should be forwarded to:
