Re: The 30th Anniversary Celebration at The Peninsula Beverly Hills

My dear Chickie, (Karen), Debbie and Mitch:

The American Heritage Dictionary of the English Language defines the word "class" as "Elegance of style, taste and manner." Another definition of that word, in the very same Dictionary, is "Chickie Leventhal."

I cannot think of a more perfect way to describe who you are. You are the quintessential embodiment of class---style, taste and manner, to say nothing of thoughtful, generous, giving and caring. How can anyone not be a fan??

On Thursday evening, November 13, 2014, you invited a group of friends to join you in the celebration of thirty years of work in a wonderful cause--the preservation of our rights and liberties.

Once again, with a flair that few possess, you put on an evening of fun, great food and drink and wonderful companionship. It takes a special person to do what you have done. And, you have the good fortune to have a wonderful team who continue to work with you to make your life's work the success that it is. This is no mean feat.

Each year, I try to craft an expression of gratitude for the invitation, but I find myself running out of new and different words to say what is in my heart. So, let me just say "Thank you" for a truly lovely and thoroughly enjoyable evening, as well as for your thoughtfulness in continuing to invite Trish and me to be among your guests.

We are truly grateful for your generosity.

We wish you great joy with your new grandchild, and please tell Karen that she was most definitely missed at the gala.

Happy Holidays to all of you, and may the New Year bring all of you good health, much happiness and MORE prosperity!!

Warmly and fondly,

RICHARD and TRISH SOLOMON
