A Foundation for the Future

Boys & Girls Clubs offer positive alternatives to youth who are surrounded by negative influences, showing them how to live successful and productive lives. Since 1860, Clubs have provided safe havens for young people by offering quality programs and critically important relationships with nurturing and reliable adults.

Boys & Girls Clubs give their members, ages 6-18, access to dedicated, trained professionals who can provide guidance in adopting healthy lifestyles and pursuing educational objectives. Most importantly, Boys & Girls Clubs equip young people with the skills they need to resolve conflicts peacefully, improve relationships within every aspect of their day-to-day lives, and function as responsible citizens.

Your support through a planned gift will ensure that future generations will have the opportunity to live successful and productive lives in a safe, positive and caring environment.
