LUXURY PET RESORT GRAND OPENING IN HENDERSON, NV

Luxury Boarding, Daycare, Grooming, Training & Chauffeur Service for Dogs & Cats

Henderson, NV: Henderson will celebrate the Grand Opening of its first luxury pet resort June 11, 2016 from 9am to 1pm. Henderson native Leslea Villigan has created Henderson's first all-suite, luxury pet resort where dogs and cats can vacation "resort style," while pet parents are away overnight or just for the day. Villigan and her professionally trained staff at **Henderson Pet Resort** truly believe in the individuality of each pet. They are devoted to creating unique and customized experiences based on the needs of each pet and the wishes of each pet parent.

"After difficult personal experiences finding pet care in my own home town that I could trust, I decided that I needed to create what was missing. Henderson Pet Resort is the culmination of a deep love for all pets and my commitment to their health, safety and happiness," stated Villigan. She went on to say that she wants to provide pet parents a place they can trust so they don't feel guilty or worried while away. The resort is enjoying rave reviews from those who have already taken a peak: local Anita N. was amazed, stating, *"Wow, I've never seen anything like this before!"* and a Las Vegas groomer who visited admitted, *"I don't leave my dogs anywhere...but I would leave them here!"*

- **Radio station Mix 94.1** will be broadcasting live during the event
- **Engine 1 Pizza** will be preparing pizza onsite for all guests to enjoy
- Pet adoptions will be sponsored by **The Animal Foundation**
- A celebration for all ages with prizes, tours of the beautiful new Pet Resort and much more!

Henderson Pet Resort: State-of-the-art pet resort for dogs & cats that focuses on happiness, safety and health with professional pet care staff onsite 24/7.
