Pact-One Solutions Founder and CEO Dan Edwards Signs Publishing Deal With TechnologyPress To Co-Author New Book

Dan Edwards will team with Robin Robins and several leading cybersecurity experts to release the new book “Easy Prey” by TechnologyPress™.

Henderson, NV – May 2, 2016 – Dan Edwards, Founder and CEO of [Pact-One Solutions](#), has joined Robin Robins and a select group of IT experts to co-write the forthcoming book titled, *Easy Prey*. Nick Nanton, Esq. along with business partner, JW Dicks, Esq., the leading agents to Celebrity Experts® worldwide, recently signed a publishing deal with each of these authors to contribute their expertise to the book, which will be released under their TechnologyPress™ imprint.

A portion of the royalties earned from *Easy Prey* will be donated to St. Jude’s Children’s Research Hospital, the leading children’s hospital pioneering research and treatments for kids with cancer and other life-threatening disease

Easy Prey is tentatively scheduled for release in fall 2016.

More About Dan Edwards:

Dan is the founder and CEO of Pact-One Solutions, an award-winning managed service provider based in Las Vegas with additional locations in San Francisco, Los Angeles, and San Diego. Dan has worked in the technology industry for twenty years and he has a passion for providing optimized technology solutions for businesses.

After starting Pact-One in 2003, Dan saw the value in gaining the training necessary to better serve his clients and began his quest for changing the nature of how small to medium businesses use technology. With natural born leadership and integrity, Dan expanded the business and today Pact-One has more than 30 employees. Dan has always seen a value in hiring the best team and surrounded himself with the smartest people to better serve his clients.

Pact-One believes in being a true business partner with its clients by focusing on managed IT services. Every decision and meeting with the client is focused around how to make their business better through the use of technology, while keeping them protected and secure. With many healthcare-related clients, Pact-One focused on both HIPAA and security to allow their clients to sleep easier at night.

Dan and Pact-One enjoy giving back to charities, through donations and volunteering, such as “Give Kids a Smile,” TeamSmile, “CDA Cares”, and “Mission of Mercy (MOM).” The Arizona Dental MOM recognized him as a Lead Charter Member from 2012–2014 with a great appreciation, compassion and dedication in his role.

When Dan isn’t busy with his many on-going projects, he spends his downtime with his wife, Lisa, and daughter, Danielle. They enjoy traveling, hiking, and golfing. Dan finds the balance of work and life extremely important.
