THAT'S A-LATTE PAGES! (\$12 for the year)

Join us for a year-long journey of scrapbooking inspiration from January through December. Each month, at your convenience, bring in five finished scrapbook pages to be logged in as part of "That's A Latte Pages." These can be single or double-page layouts and need to include a title and some journaling. Layouts you complete in Scrap-A-Latte classes also count! Though not required, it's an added bonus if you incorporate products from Scrap-A-Latte, along with stuff from your own supply stash.

Important! There are three "I'm A-Latte Behind" days to catch up on the # of missed pages. On April 15 you can catch up for the # of layouts missed in January-March, July 15 for missed April-June, and October 15 for missed July-September.

CHRISTMAS CARD CLUB (\$10 per month)

Join this journey – February through November – to make holiday cards. Each month, Club members can come to Scrap-A-Latte on the designated Club date to make five of that month's card design. By the holidays, you'll have 50 holiday cards – 10 different designs – and envelopes.

Join us to create a fun project using paints, inks, sprays, stencils and more! The cost will vary based on projects, but samples will always be available to preview in the store.

KIT STARTS

Let us help you get "kit started" with one- or two-page scrapbook kits. Kits will include the latest papers, pre-cut pieces and embellishments you need to complete layouts. The kits will include a photo of the finished project as well. Cost for single-page kits is \$10 and \$15 for double-page kits. Bring back your finished project to get credit for "That's a Latte Pages" too!

SCRAPPY HOUR

From time to time, Scrap-A-Latte hosts "Scrappy Hours" during which Latte friends can stop by between 5 and 8 pm for snacks and a creative time. A number of kits will be put out for a variety of projects that may include layouts, cards and other surprise projects. Costs will vary per project and you pay as you go based on the projects you choose to complete during Scrappy hour.

CRAFTERNOON COFFEE BREAK

Every now and then Scrap-A-Latte will host a special "crafternoon" coffee break from 1-4 pm for a demo and/or "make & take." It's a great way to explore a new product or technique together.

SCRAPPIN' 101 (SCRAPBOOKING)

New to scrapbooking and not sure where to start? Join Renee for a 2-hour tutorial about scrapbooking and how to use the tools you'll need to get started. Renee will offer a 20% discount on starter tools purchased at Scrap-a-Latte on the day of class. Dates are on "as needed" basis.
