Fall Classes 2015

Practical Mysticism with Posi Lyon, RScP

Tuesdays Evenings, 6:30-9:30 PM
Starts September 29th
(10 weeks-no class November 24th)

- Awaken your inner mystic and cultivate the mystic consciousness to live the Spirit-centered life here and now.
- Deepen your faith, awareness, understanding and knowledge of Spirit operating as you.
- Celebrate each moment as a gift of the Presence.

The purpose of this class is to recognize that there is a mystic within each of us. We come together to support each other in invoking that inner mystic. It is our charge to live the mystical life in practical, concrete form. This is not some far-off, occult thing, but rather the simple recognition of our oneness with God and the unity of all life. As we live in this awareness, we anchor the kingdom of heaven on earth. This class consists of meditation, prayer, reading, discussion and participation in processes that bring us to a deeper realization of God-as-us and thus, to a more expanded consciousness.

You don't have to give up having fun to live a Spirit-centered life!

Type: Certificated
