

ADVENT in the CHURCH SCHOOL 2015

Our Advent-Epiphany Church School outreach fundraiser will soon be underway: Through **Heifer International's "Read to Feed"** program, children read for pledges to help alleviate global poverty and hunger by supporting sustainability in small communities around the world... Let's send some "Friendly Beasts" abroad to help improve their quality of life! You can help as a student in Church School by logging your leisure reading and asking family and friends to make a donation in person or online. *Any funds we collect through January 31st will be matched!!!*

Our goal is 100% participation at any amount. (If everyone does a little good, we can accomplish much toward the greater good!) Go online to **Heifer Read to Feed** for more information, and look up our team page to make a donation or track our progress: **Christ Church School Pomfret CT**. We've set a modest goal to start, but I'm sure we can top it! Look for more information to be sent home with your children in early December as we prepare for our Christmas Pageant. **Fundraising will end on January 17th** (to allow time for mailing any checks).
