

Christ Church School invites you to

Stay connected this summer with "Take Out Church"!

- Ever wish for some fun and easy ways to initiate faith conversations and activities with your family 'on the road' or at home?
- Are your children (or are you) an avid social media user who would like to post selfies with "Flat Jesus" on your travels? Or... would you like some great faith-based app suggestions for your child's technology?

Well look no further- Order your family's "Take Out Church" box from Mrs. Nichols today!
