

## **Kids' MusicRound Classes at Christ Church**

Kids' MusicRound is all about finding a love for music. It is a singing, laughing, giggling, jiggling, clapping, dancing, bouncing, fun-filled experience for infants and children, to age five. This is the age when your child's innate music potential is actively developing. With the KMR program, parents or special adult can help bring out a child's natural curiosity about music in a playful encouraging environment.

The best part you don't need to be musical to register for this class! Every adult, or special adult, no matter how musical they consider themselves, can help their child along their musical journey. We invite you to sing, dance, play instruments and enjoy with other families with young children as Kristen Wedegis leads the class. It is easy, rewarding and an important activity.

*Summer Classes begin at Christ Church Monday, July 11 from 9:45-10:30 and last 6 weeks!*
