

# The Swedish-American Chamber of Commerce of Chicago

Member, Swedish-American Chamber of Commerce of the United States of America

## *The Chamber's Annual Crayfish Event – A Great Party with Great Sponsorship Opportunities!*

On Saturday, September 10, 2016, SACC Chicago and the SACC Young Professionals will host what has become the summer party of the year – the Annual Crayfish Event. We will once more enjoy the unique tradition eating crayfish as well as sing along to the snaps songs and dance the night away at Sheridan Shore Yacht Club in Wilmette. While many of the Chamber's events are about business and networking, the focus of this event is decidedly about fun!

You are receiving this letter because you have either graciously supported past Chamber events or because we believe that a Crayfish Party sponsorship would be a great way to promote your business to members of Chicago's Scandinavian business communities. The reach for this event includes all of the Scandinavian, most European Chambers and members of the City's international business community. Sponsors' names and logos appear on all promotional material, on the website, in the Flash newsletter, and receive acknowledgement at the event.

Take a moment to consider the sponsorship opportunities listed below, select an option, e-mail this form to the office, or call 312.257.3002 if you have questions or other sponsorship ideas.

*Join us in making this the most successful Crayfish Party ever!*
