

Dear Members,

Summer may be winding down, but activity at CUP continues to heat up as we push forward with many exciting initiatives.

With Fall on the horizon, it means that our sector-focused Fall Forums are quickly approaching. These forums always prove to be a great opportunity for CUP members to network, learn, and listen to intriguing dialogue from many of the sectors top leaders. We will be sharing more information on our forums as each event approaches, and look forward to seeing you there!

In addition to great conversation, at each of our Fall Forums, we look forward to the introduction of our 2016 CUP Catalysts in Law, Finance, and Media and Entertainment. The CUP Catalyst program is an annual list that celebrates the accomplishments of top leaders within these three sectors. These individuals have achieved extraordinary success while simultaneously making a significant impact in their communities. Make sure to come support fellow CUP members who are trail blazing in their respective fields.

We want to remind you, if you haven't done so already, please take a few minutes to respond to CUP's [membership survey](#). It is vital that CUP keeps your interests and needs at the heart of the resources we offer to ensure CUP - and our programming - remain as strong as possible!

Lastly, to stay up to date on all CUP events, programming, and more, be sure to connect with us on [Facebook](#), [Twitter](#), and [LinkedIn](#). We look forward to staying connected with you.

All my best,
Brennon Marcano
