President's Message

Spring is finally here and I'm sure all the of local units are busy with fundraisers, banquets and planning outings that UM Women like to do. Always make sure that you advertise your events as

United Methodist Women so others will be aware of all the important work that we do.

Be sure to send your Mission u and Limitless scholarship application information to Felicia Stewart. She will forward those to North Central District UMW for us to submit.

Please be sure to put on your calendars our **TWO** fall district gatherings. **September 17** we'll meet at Russiaville and **November 12** will be our local unit officer training event at Carmel.

Have a great Spring and I'll see you at Mission u in July.

By now you have most likely heard that another part of our old building could no longer be repaired and the air conditioner for the building had to be replaced at the cost of slightly more than \$8000. This was not in the budget for 2016. Please send donations to help defray this unexpected expense. When writing checks, on the line item please add “or as needed” if you designate your funds for the air conditioner.

Life and it's daily needs continue at Raines for the 45 women and men who call it Home. Through your generous giving the Bathtub Ministry is doing well; however at this time items in short supply are twin size mattress covers, shower

curtains, and sturdy shower curtain rings.

2017 will be our 40th Anniversary at Lucille Raines Residence. The committee has started plans to celebrate. To try and avoid crowding we are spreading the celebration at the residence over three days in May, 16-18. Watch for more details. Think of ways your local can add to the celebration. Let me know your ideas.

What's Cookin' this Summer?

We are already talking about summer and it seems we have not had spring! With 80 degrees in April as I write this we must have missed out on something. One thing is sure! You don't have to miss out on UMW this summer! Continuing with our *Lead from the Kitchen* theme (have you looked it up yet at unitedmethodistwomen.org/members-leaders), what are you cookin' up now?

Summer is a great time for **reading and book reviews**. One of our local units has a book club where each lady reads the same book prior to meeting, another has each lady read a different book giving an overview to the group. Consider these creative ways to add to your knowledge and fellowship through our UMW reading program. As Peg Peter reminds us, *"don't forget the Mission u books count double!"*

Mission u can be a great get-away for a group, too. Bring the children and teens, or grandkids, and begin the family tradition that began a career in UMW for many of us. If you can't attend the weekday or for the Sampler Saturday, the books are still a wonderful resource for topics that are at the forefront of United Methodist Women and our denomination's priorities currently. The books are available as hard copies or as e-books.

Save the dates for our **TWO district wide gatherings** this fall! On **September 17th** we will meet at Russiaville and on **November 12th** we will offer leadership training for 2017 at Carmel. Hopefully, this late fall meeting will provide an opportunity for more participation from ladies considering leadership roles in your unit. There will also be time for your team to plan for 2017.

All of the district leadership team is available to work with you to promote growth, fundraising and awareness of the role of United Methodist Women in feeding the bodies, minds and spirits of our members, as well as, women, children and youth around the world. *Please invite us into your kitchen.*

Blessings,

Member Nurture and Outreach

The **UMW Limitless** event is a wonderful opportunity for the young women of our units and of our churches to know more about United Methodist Women. It will be a time of fun, friends, and fellowship for those attending. There will be workshops, Hands on Mission projects, and worship available for all. This year the event will be at DePauw University in Greencastle, IN from 7:00 pm Friday, July 22, through Saturday, July 23, 4:00 pm. Registration begins at 5:00 pm on Friday, July 22. **Limitless is an opportunity for teen women grades 9-12 through age 39.** Participants are encouraged to bring their phones, tablets, and/or laptops.

The application form is included in this newsletter. Please make these forms available to as many young women as you can. This is an event sponsored by the Indiana Conference of United Methodist Women. I look forward to hearing about some wonderful experiences at this year's gathering.

Program Resources

Did you know when you read one of the current Mission u study books it counts as a book for the reading program? That means you can include it in your list of books for the year and keep up with the current mission studies which will be given at Mission u this year. There are three studies this year – the Spiritual Growth Study is entitled **The Bible and Human Sexuality (spiritual growth)**; the Issue Study is entitled **Climate Justice– A Call to Hope and Action (Social Action)**; and the Geographic Study is **Latin America – People and Faith (Education for Mission)**. All three studies have been the focus of discussion in the news recently. Mission u will be held in July at DePauw University. If you attend, the books you will be studying will be sent to you after you've registered. If you are unable to attend the conference, the books can be purchased from www.umwmissionresources.com, or will be available at our next district meeting.

Take time this summer to sit back, relax, and continue your journey with the Reading Program!

Social Action

I hope many of you are considering attending Mission u in July at DePauw University in Greencastle. This year's social action study is "**Climate Justice : A call to hope and action**" (2016 & 2017) This study will deepen our understanding and awareness of climate change and its impact on God's creation. The study highlights justice, peace, and integrity of creation as important dimensions of partnering in God's mission today. It offers participants, biblical, theological, and ethical insights as the basis of their advocacy on climate justice in churches and in the public sphere. *Leaders: Cassidhe Hart, Emily Hart, Pauline Neal, and Debra Poole.* This goes along with our **Be just. Be green.** initiative!

There is a complete brochure for Mission u in this newsletter. Look it over carefully and plan now to join us July 19-22 or on Sampler Day on July 23!

Treasurers

Thanks to all the units for their pledges and conference askings. The District is at 12.6% for 2016. I know most units have their money making events later in the year, so this number should improve. Just remember to use the remittance form and try to have your monies to me by the 25th of the month so I can forward it to the state.

In answer to a question at the District Meeting, there is an All Star Award. It is for the completion of Five Star Awards and also the Conference askings. I will keep track of those this year and make the award at the Spring meeting.

If you have any questions please contact me.

Secretaries

We are constantly trying to keep contact information up to date for all churches in our district. If you have changes in names of officers, phone or email address changes, please let me know. Also, if you have an active church cluster in your area, please share this newsletter and other UMW information with your sister churches who may not have an "active" unit. We are all still women working together to better the lives of women and children around the world. UMW is a great resource to affect change!

Legacy Fund

March 23, 1869, eight women gathered at Tremont Methodist Episcopal Church in Boston, Massachusetts, and organized what would become United Methodist Women. Celebrate their dedication and foresight with a special gift to United Methodist Women and the Legacy Fund.

The Legacy Fund, is a permanent endowment that will support the mission outreach of future generations of United Methodist Women as they address the needs of women, children and youth of their day. **This fund will cover administrative costs, which will allow future gifts to go 100% to missions, as UMCOR dollars do currently.**

Giving is easy!!

Great idea for a special birthday or Mother's Day!

During **Mission u** you will have an opportunity to complete a commitment card or make a contribution to the Legacy Fund. We are hopeful that every member of United Methodist Women of Indiana will make a gift to the Legacy Fund of at least \$18.69 (the founding year) per year over and above her Pledge to Mission for five years (2015-2019).
