

GOT STUFF? TURN IT INTO A TRIP TO ISRAEL

Participate in the first annual 8th Grade Class Virtual Garage Sale!!
We sell your unwanted items on eBay and Craigslist and the kids go to Israel

IT'S SIMPLE:

Take 5 good, representative pictures of the item with your phone
and email them to virtualgaragesalegrtw@gmail.com along with a brief description

Class parents Jonathan Caplan and Gregg Russo place the ads and take care of the sale
We'll negotiate the sale, arrange for shipping and even come to
your home to arrange for transfer of the item
A donation receipt will be sent.

Great incentive to get rid of furniture, older electronics (iPhones, Samsung, iPads etc)
and even clothing that is in good condition. Regain your closets, garages and basement spaces!

Thank you for your support

Contact us with any questions at the VGS email above and thank you again
