

Uniquely Us Support Group, serving Fannin, Gilmer and Pickens counties, has been meeting for a year now. Becky Robinson, Navigator Team leader, reported that they have had a fishing derby, two Fall Festivals, and are planning several events for the upcoming year.

This year's Fall Festival was held at Build an Ark in Ellijay. They were so grateful for the support provided by community partners – Build an Ark, KidStuff, P2PGA, Hope Lutheran Church, The

Craddock Center, and many gracious volunteers. Approximately 75-80 people attended. Food was donated by Shane's Rib Shack and Chick-Fil-A. Activities included feeding and petting animals, horse rides, hayrides, Story Book Express, and games. The children (both with and without special needs) were able to interact with the animals and play games. But, most importantly they got to interact and have fun with each other.

Becky was thrilled that this year's events fulfilled their mission: That all families know that we are not alone in this journey of life; and we have resources and options from which to choose. She is praying that meetings next year will grow and they can help even more families in Fannin, Gilmer, and surrounding counties.

We are so proud of the work Becky is doing in her community!
