

This event is for *Special Olympic athletes* only!

Rockdale Therapeutic Recreation has been invited to the annual tennis skills clinic at Dunwoody Country Club. Skill stations will be taught by some of the best tennis professional teachers in Georgia! It has been a great event in the past with participants leaving with a free tennis racquet. All equipment will be provided at the event but if you want you can bring your own racquet. Also in the past participants have received free tee shirts, an award and lunch. What could be better than that?

Please sign up now as instructed below. Limited slots.

Think TENNIS and good weather, Tom
