Today's Program...

Trials and Tribulations: We're a New City

Max Ziegler introduced today's speaker: Shawn Keough, City of Dexter Mayor. Shawn and his family moved to Dexter in 2001. Dexter was originally a village, in November 2014, the residents voted to adopt a city charter, making it into a new city. Between 2000 and 2010, Dexter's population grew 74%, to 4,067, making it one of the fastest growing communities in the state. The Dexter area was first settled in 1824, 13 years before Michigan became a state. It was first known as "Mill Creek Settlement" until the village was platted in 1830, when it was named the Village of Dexter.

Mayor Shawn Keough

The founder of the village, Samuel W. Dexter served as the chief justice of the Washtenaw County Court and a University of Michigan regent. His home, Gordon Hall, just southwest of the city was built in the early 1840s and is a landmark in the area. Samuel Dexter was a staunch abolitionist, and it is nearly certain that Gordon Hall was a stop on the Underground Railroad. In 1950 Gordon Hall was gifted to the University of Michigan. In 2006, the Dexter Area Historical Society and Museum purchased Gordon Hall.

The new City of Dexter hires a City Manager for the day to day running of the city. Members of council are elected as non-partisan. The journey to become a city started as a review of services received from the two townships from which the new city was formed. It was determined that costs being paid by the village to those two townships could be better realized by becoming a city.

The new City of Dexter has a DDA, connection to the Metro Park system and the Border to Border trail, an Arts and Cultural Council, good schools, and the new Mill Creek Park. Mill Creek and the Huron River form much of the western and northeastern boundaries of the city and have long been valuable resources to Dexter. The City is the home of the Encore Music Theater, a farmers market, cider mill, and numerous festivals and restaurants. In the future, it is exploring greater sharing of regional services such as public safety and public transportation.

- Our Sales Management Oversight Committee (SMOC) requested members and volunteers be aware of the need for additional help from now through May for help at KCW with getting items from the warehouse area and onto the sales floor. This need is because our paid staff will be on the road each day picking up merchandise and many special pick-ups from the UofM as students are leaving town. Also, at KCD both Office Supplies and Housewares need additional sorting and sales support.
- Larry French** and **Julanne Williams** have raffle tickets to sell for the Kiwanis Foundation of Michigan 50/50 raffle: first prize includes 7 nights in a condo on Maui, Hawaii for two, including airfare, and \$350 gift card, second prize is dinner for two anywhere in Michigan (\$250 gift card). Raffle is limited to 5,000 tickets at \$10 each. Proceeds go to Michigan Kiwanis District and Kiwanis Foundation of Michigan, which provides major funding for programs at four children's hospitals in Michigan.
- Campership Challenge forms available on the tables and from **Jane Talcott** or **Harry Cross**. For \$250, you can sponsor a child's week at camp. The Cross Foundation will match your \$250. You and your friends can pool your money to reach to \$250 portion. Deadline is July 25.

We need to keep the shelves and sales floor full of items for our customers to buy. **Dale Leslie** provided an update about last week's program miss, their apologies, and plans to provide a future program. He also shared that former club member, **Ty Knoy**, who now lives in Arizona has written a novel, which was chosen by Amazon's Kindle Scout, which puts 5,000 word excerpts on its website for pre-viewers to vote on it. The full book will be available by mid May but for an excerpt go to: <https://kindlescout.amazon.com/p/AXYE8D5NOYAX> and click on nominate. Also he enjoyed UofM SMTD production of "Guys and Dolls". **Dick Benedek** cares about tradition and UCONN women's basketball. And that for the first time, the top three draft picks, a record for NCAA coming from this UCONN team and of course, the "Husky Hat" returns for our Club President to wear (photo, page 5). **Garry Donner** shared that it's the start of the grilling season and discovering what was recently born in his grill. A "grill" baby squirrel was found, then provided support, and transported to a "squirrel whisperer" near Dexter to begin a new life. **Griff Dick** enjoyed being with his daughter in DC and a visit to Mt Vernon. **Jane Talcott** proud of her new found skill, shucking oysters. **Dave Drake** thanked Club members for their special care of him after his fall last Monday on the street near KCD and shared how he received special care from a young man who assisted him back up and into the building. "The kindness of strangers is always a wonderful thing." **Bob Carr** thanked **Martha** for her efforts to get Purple Rose tickets and that he bought his two tickets today. **Don Clewell** shared a story from a voucher volunteer at KCW who asked about **Don McEwen**. The community volunteer shared that about 30 years ago when he was in high school that Don helped him turn his life totally around and to become successful. **Peter Schork** shared three items: He reminded us that Kiwanis Scholarship Day is in two weeks, May 2, here at KCD. That the missing sales bag has been found, and that **Don Kosick** was successfully helped to locate his Club badge. **Past President Ron Gardner** shared his joy that he didn't have to wear the "Husky Hat" again, It can be very warm and uncomfortable and yet it is an honor reserved for the current Club President .
