**What is Mystery Pals?** Mystery Pals are pairs of pals made up of one young person and one adult or teen who do not know each other's identity. This is a multi-generational community-building project that has shown great success in many other UU communities, and this year, we have decided to run it again! This project is closely managed by the Religious Education Committee. Pals who sign up to participate and are matched to each other by the committee. **START SIGNING UP THIS SUNDAY-** through February 13<sup>th</sup>.

**What do Mystery Pals do?** Mystery Pals communicate with each other through the exchange of notes, drawn pictures, cards, riddles, puzzles, baby pictures, hints about identity, and small trinkets. The main thing is to stay in touch and remain a mystery! All communication is managed by the RE Committee.

**How do Mystery Pals keep in touch?** Beginning on February 14<sup>th</sup> come to Fellowship Hall with your first piece of mystery pal mail and put it in the giant mailbox. The following week, not only will you mail something again, you will check in with the Mystery Pal Postmaster and collect the mail that your Mystery Pal has mailed to you! The Religious Education Committee will ensure that everyone receives their communication weekly after the notes have been reviewed!

**When do the Pals find out the identity of each other?** Identities will be revealed during our Mystery Pal Reveal Party on April 3<sup>d</sup> directly after the service. **FUN FUN FUN.** It's all about the connections we make in the world!! Sign up right away! And especially before February 13<sup>th</sup>.

We are excited for another fun run of The Mystery Pal event!!
