Tackling Doping in Sport 2017 (TDiS 2017) is the annual global summit for all organisations and individuals involved in the fight against doping. Over the course of two full days, the world’s most respected anti-doping experts provide their insightful analysis and a comprehensive overview of the current anti-doping landscape, from legal, regulatory, scientific and commercial perspectives. Join 300+ high level delegates, from more than 55 countries, at Tackling Doping in Sport 2017.

### Previous Speakers
