## **ADVOCATE HEALTH CARE'S GAIL HASBROUCK NAMED CHAIRMAN OF THE AMERICAN HEART ASSOCIATION'S METRO CHICAGO BOARD OF DIRECTORS**

Gail Hasbrouck, senior vice president, general counsel and corporate secretary for Advocate Health Care, has been named chairman of the American Heart Association's Metro Chicago Board of Directors. As chairman, Ms. Hasbrouck will lead a team of healthcare professionals and business and community leaders who guide the Association's activities throughout the Chicago area. Her two-year term as chairman began on July 1, 2015.

In her role with Advocate Health Care, Ms. Hasbrouck is responsible for the direction and management of the legal, claims, compliance, Institutional Review Board and corporate secretary functions of Advocate Health Care. She is a member of the Executive Management Team consisting of all of the C-level executives in the Company. This group advises and supports the CEO in all major decisions. She provides legal advice and counsel to governance and management in order to protect and defend the legal interests of the organization, and to maintain operations within legal parameters. Ms. Hasbrouck focuses on negotiating/facilitating acquisitions, mergers, joint ventures, affiliations, and other business transactions that support the growth of Advocate. She works closely with Governance and directs the ongoing legal support of operations.

Ms. Hasbrouck is a graduate of Northwestern University School of Law and holds a Masters' Degree from the University of Chicago. Her undergraduate degree is from the University of California at Berkeley.

Ms. Hasbrouck is a resident of Chicago.

### **About the American Heart Association**

The American Heart Association is the nation's oldest and largest voluntary health organization dedicated to fighting heart disease and stroke. Our mission is to build healthier lives by preventing, treating and defeating these diseases – America's No. 1 and No. 5 killers. We fund cutting-edge research, conduct lifesaving public and professional educational programs, and advocate to protect public health. To learn more or join us in helping all Americans, call 1-800-AHA-USA1 or visit [americanheart.org](http://americanheart.org).
